THE OFFICIAL NEWSLETTER OF THE LEE VALLEY LIONS SUPPORTERS CLUB...

Dear Members,

Welcome to the ROAR! I'm afraid it is simply just a newsletter this month. As those who went will tell you, since the last ROAR! there have been two away weekends, both to Fife/Blackburn, all who went found the experience most enjoyable, first class accommodation, good laugh, etc.etc. apparently the hockey wasn't too bad either! As always a good advert for the 'away travel'. The Lions are currently standing eighth in the league after a few 'near misses', above Blackburn and Trafford, forthcoming travel will be Milton Keynes Kings on the 15/2 & an 'away weekend' to Telford/Trafford on 22/23 February for details on all away travel please see Mark at his table on home game nights, he is very friendly and only bites when severely annoyed! No news I'm afraid on the return of the plexi-glass, but it will definately be replaced as there is provision in the Lee Valley Park budget for it, but it will be a different kind of glass - safer & stronger, as the old kind was deemed unsatisfactory for safety reasons. A new promotional sleeve has just been released on the Lions by British Engine, it is very good, very bright, eye-catching & the sponsorship deals included are very reasonable, if you think your company or business may be interested in one of the deals on offer please ask for a copy from Mike Cook or Steve James.

The Lee Valley Lions 'END OF SEASON PRESENTATIONS' will be held on the 6th March which is a Friday (for those of you frantically looking it up on the calender), tickets are on sale for £5 each, for which you get an excellent buffet provided by L.V.R.P.A.'S head caterer who feeds the directors, a disco provided by that great and famous D.J. PETER 'THE ANNOUNCER' LIVERMORE, a bar with an extension till late (you do have to pay for drinks, unless Mick 'the Man' is feeling generous), and the players will all be presented with their various trophies. The whole Shindig will be held within the grounds of Myddleton House in Enfield at the club used by the School of Pharmacy students, a map will be given out with the tickets and there is possibly a coach to be run for those who don't have their own transport, in fact I'm told there is definately to be a coach running. If you require tickets please contact Mike Cook on match nights, I will also be selling them along with the raffle tickets! also Nikki at the rink has them, Marian in the shop, or failing all that please send monies to Mike Cook The Gate Lodge, Myddleton House, Bulls Cross, Enfield, Middx, EN2 9HG & he will send your tickets back to you. Please hurry and purchase your tickets as demand is high as it should be the best ever end of season DO! A form will be included with your ROAR! for the supporters club trophy, this is the trophy given by supporters club members, it can be for anyone, as it is for the person who you think has done the most for the Lions during the season, that is players, management, assistants to the Lions, helpers, supporters club workers, supporters, absolutely anybody who you think has done the most for the Lions. This trophy has been won by many a famous person in the past including such greats as Jahne Lehti, Vesa Pennanen, Mike Cook, Terry Locks - need I go on? Please return your forms as soon as possible - TKU.

The trophy for 'supporter of the year' will also be presented at the DO last year this was won by that loyal and loud lady - Joyce Dalliday, will anybody pip her for it this time??

*Julie*
